Income Property

[S8-E8 - Nick and Karen](#)

A leak from the flagstone porch caused major hidden water damage and risked the success of the project until they installed Tiledek to provide the roof grade waterproofing to protect the living space below.

The Builder Boss

[S1-E6 - The Bunker](#)

'The Bunker' was a unique project involving building a subterranean room below a tiled patio area. Tiledek was the perfect solution to provide waterproof protection and best surface to adhere the tiles.
